SUMMARY

I am Sanskruti Gaddekar .An energetic Engineering student with Diploma in Computer Engineering, now currently pursuing a BTech in Electronics and Telecommunication Department. With good knowledge of programming languages (C, C++, Python) and basic of Hardware and Networking. Quick Learner and looking for an opportunity to build more skills and apply my skill to real world to solve the real world problems.

EDUCATION

Ballarpur Institute Of Technology, Bamani

Diploma in Computer Engineering • A
RULAR Chandrapur, Maharashtra • 3 years

I have learn about Basics Programming in c, c++, java, advanced java, python, operating system DBMS, software engineering and testing . Basics of electronics branch.

P.R.Pote(Patil) Collage Of Engineering, B.Tech

Urban Amravati, Maharashtra • 3 years
(Currently Studying)

I am currently studying here from EXTC department and gaining knowledge of hardware.

EXPERIENCE

Softgrowth Infotech Chandrapur, Maharashtra

Intern • 1 month

Web Development Intern at Softgrowth Infotech for duration of 1 -month. Worked on front-end web development using HTML, CSS and JavaScript, gaining practical experience in craetive responsive web pages and implementing interactive features.

PROJECTS

IoT Based Smart Electric Board Using MQTT Protocol

Duration: 6 Months

We have developed IoT Based smart electric board using MQTT protocol to remotely access electronics appliances by mobile dashboard or voice command. This board is only access by person who has its email id and password connected to hospot.

IoT Enabled Safety System for Smoke Detection

This project aims to develop a smart smoke detection system using IoT technology for real-time alerts and improved safety. It uses an ESP32 microcontroller and an MQ-series smoke sensor to detect smoke or harmful gases. When smoke is detected, the system triggers a local alarm and sends instant alerts to users remotely via Wi-Fi.

SKILLS

- Programming: Intermediate
- Web Development: Intermediate
- Teamwork: Expert
- DSA: Begginer
- OPPS: Intermediate
- Technical: Begginer

LANGUAGES

- English
- Marathi
- Hindi

INTERESTS

- Travelling
- Exploring new things
- Gardening
- Listening Music
